

## **SCHOOL DIVISION CHAMPIONSHIPS-RIVER EAST TRANSCONA**

**Wednesday April 3<sup>rd</sup> John Henderson Junior High School**

On Wednesday April 3<sup>rd</sup> Coach Uzunov and I travelled to John Henderson Junior High School where teacher Jim Kovachik-along with his colleague Dan Bezte from Munroe-had organized the RETSD Junior High School Table Tennis Championships. The event attracted 24 players aged 11-15 from 5 schools.

The level of play was great with intense rally's going on all over on the 8 tables being used. Several teachers challenged Coach Uzunov to a match and actually thought they had a chance to win...welcome to the world of transition from "Ping Pong" to "Table Tennis"...NO CHANCE for the ping-pongers!

In the tournament, after the last stroke had been taken, Colin Schroeder from John Henderson Junior High had defeated his teammate Sam Nadurak. Rounding out the top four were Daniel Frick and Austyn Ducharme, also each from John Henderson.

Congratulations to all players on their fine performances. Attached photo is of Coach Uzunov along with the finalists Sam on his right and Colin on his left.
