SECTION A

2016 - 2017 Provincial Squads and Hopefuls Training Programs

- OBJECT:** To prepare **Manitoba's Senior and Junior Provincial teams** for achieving **best ever results** in **MAJOR** (1/2) table tennis **Competitions**.
- PROGRAM CONTENT:**
- ▶ **TRAINING SESSIONS** (Including Sport Science) with team 2-6 times a week from Sept. 2016 to July 2017; (Canadian Senior & Junior Championships are in July). Traditionally, end July, August and early September, 2017, are "off-season" for most athletes: they train 1-3x per week on own and participate in other sports. But, during "off-season", TT Canada often schedule events & camps where top Manitoba athletes could be invited to; this includes the "Hopes" week. In the future, M.T.T.A. may move towards provision of some structured summer camps to be held in the latter half of August. (T.B.C.)
 - ▶ **MAJOR & MINOR TOURNAMENTS** (3) in Winnipeg and neighboring provinces/states as outlined in "**Program Brochure**" and Appendix B - "**2016-2017 Calendar of Events**";
 - ▶ **WEEKLY LEAGUE NIGHT:** Winnipeg & District Table Tennis League;
 - ▶ **TRAINING CAMPS** as follows:
 - **Day Camps** - "**Team 2019**": (T.B.C)
 - **X-Mas Camp** - "**Team 2019**": Dec. 27-29 Wed-Fri.
 - **New Year's Camp** - "**Team 2019**": Jan. 3-5 Tue-Thu.
 - "**Team 2019**" **Camp** - March 4-5 Sat. & Sun.
 - **Spring Break Camp** - "**Team 2019**": Mon.-Fri. March 27-31.

 - **Summer Camp**: ~ August, "Hopes" week preparation (T.B.C.)
- PRACTICES:**
- Mondays: Blocks 2 & 3 (T.B.C)
 - Tuesdays 6:00-7:30 and/or 7:30-10:00 pm, Darwin School (4) ;
 - Wednesday 6:30-7:45 and/or 7:30-10:00 pm Dufferin School (4) ;
 - Thursdays 6:00-7:30 pm and/ or 7:30-10 pm Darwin School (4) ;
 - Fridays 6:30-9:30 pm Squad & older Hopeful's@ Daniel MacIntyre.- match play (League) (4/6) ;
 - Saturdays: Block 2 & 3 (T.B.C)
- TRAINING SQUAD SELECTIONS/ GROUPINGS:**
- Initial selection to the training squads and camp sessions will be based on the following factors:
 - i) Desire to improve and work ethic;
 - ii) Current ability and future potential;
 - iii) Age - should other things prove equal, the emphasis will be placed on training younger players and those that are required to fill teams for major events;
 - iv) The return of the Participants Agreement and all other registration forms and fees by the designated deadlines.

List of reserve players/ alternates will be kept.

Selected players should note that being selected does not guarantee your spot in any given session for the following block. Every effort will be made to be clear with the athletes on what is expected of them in the training group they are part of. If the player doesn't fit well in the training group, as deemed by Head Coach Tronco, said player will be dropped from the training group and replaced by a player selected from the reserve list as outlined in footnote (5) or the group may operate without replacement.

“Team 2019:” “Team 2019” is a target group of boys and girls based upon current level of play. These athletes are expected to participate fully in the above outlined Program Content as selected by Head Coach Tronco; weekly practice requirements defined by age, Chart “A”. These athletes are targeted to attend the Team 2019 Training Camp and Canada Winter Games Trials #1 in Virden Feb. 25-Mar. 3, 2018 as part of the Power Smart Manitoba Games. This list is not static, Coach Tronco has the authority to replace “named” players with alternates. The object is to prepare a high level, dedicated, unified team to represent Manitoba in 2019.

FEES & REGISTRATION:

Athletes should fill in: a) M.T.T.A. **Membership form**, b) Squad or Hopeful's **Invitation letter/form** and c) P.S.T.P. **Participants Agreement**. Payments of this year's fees are made in 3 installments based on which program you are selected for. Players are invited to train on a block by block basis.

TOURNAMENT SELECTION PHILOSOPHY:

Athletes selected for major events (1) will generally be the best we have. They will be chosen based primarily upon factors such as competition results, rating/ranking level and by evaluation by the P.S.T.P. Head Coach. For **Minor Tournaments (3)**, the P.S.T.P. Head Coach, in conjunction with the Executive Director and the Athlete Development Committee, will **select athletes based upon level of play and commitment to table tennis.** This commitment is demonstrated through participation in the Provincial Squads or Hopefuls training program including league and tournament play.

It is understood that players often participate in more than one sport or have other interests. Players for years have missed practices for one reason or another throughout the season. For **Major events**, it is a **program objective** (dependant upon budget) to **send full teams of our best players.** However, **these best players must have been participating at some MINIMALLY ACCEPTABLE LEVEL.** A player demonstrates their commitment to training by scheduling other activities (community club sports, driver education lessons, music lessons etc.) around the table tennis practices. If players do miss practices but still participate at a “MINIMALLY ACCEPTABLE LEVEL”, they may still make the Manitoba team for a MAJOR event, because it is MTTA's desire to field full teams of our best players. However, players **who do not participate fully may not be selected for MINOR events;** i.e. **“IF YOU ARE NOT DOING ALL YOU CAN IN MANITOBA TO BECOME AS GOOD AS YOU CAN BE, WHY SEND YOU OUT OF PROVINCE FOR EXPERIENCE THAT YOU COULD OBTAIN IN PROVINCE?”** (6)

Program philosophy is expanded in Section B - Principles & Participation Requirements.

COACHING STAFF:

Head Coach –Arvin Tronco: 925-5943(b); 290-5547 (c);
925-5916(fax); email: mtta.coach@sportmanitoba.ca

Coach Tronco is in charge of the micro programming parameters associated with our athlete development programs. He oversees all the regular practices and camps. **Other M.T.T.A Coaches
& Resource Personnel:**

Ron Edwards: 925-5690(b); 788-4877(r); email:
table.tennis@sportmanitoba.ca

Ron may fill in as a substitute coach for Coach Tronco or others as situations demand. Ron is in charge of overall M.T.T.A. macro-structural program design and implementation parameters. These programming requirements tie in various philosophies of sport as passed down from Sport Canada to Table Tennis Canada and to Sport Manitoba. Ron has completed his Level 3 Technical Course (2 different formats), his level 3 practical. He needs to update his Level 3 Theory as this was done over 20 years ago. Ron has also completed the I.T.T.F. High Performance Coaching Course and was Prov. Team Head Coach from 1986-1999/ 2000.

Rongge Zhang: Is a former top level player who was ranked #7 in Canada. She has completed her R.I.S. She will be enrolling in N.C.C.P Technical and Theory courses. Rongge will be assisting Coach Tronco every Tuesday, Wednesday and Thursday practice both coaching and acting as a sparring partner.

Terry "Tian" Zhang: Has been one of Manitoba's top players for the past 10-12 years. Terry is now enrolled at the University of Manitoba and he will be assisting Coach Tronco with the younger players and will act as a sparring partner for the older level ones.

Phuong Nguyen: Phuong has completed her R.I.S. and Community Initiation Technical Coaching course. She has also completed numerous Theory courses. This season Phuong will be assisting Coach Tronco every Tuesday, Wednesday, Thursday and Saturday for running the Junior Developmental Program.

Meng Yu: University student volunteering to help coach, RIS completed.

**ON THE PART OF
THE COACHING STAFF:**

As indicated by recent results at Canadian Championships and Games events, as well as by the number of athletes that we are placing on Canadian teams, we are holding our own against other provinces. However, after reviewing the whole of last year's program, some problem areas have been identified and are being addressed by the coaching staff and Executive.

With the 2019 Canada Winter Games approaching, we will access Sport Manitoba's P.E.P. (Performance Enhancement Program) in several areas. In order to better prepare athletes for the 2019 Games in Red Deer, Alberta. Our first selection trials will be held in Virden Feb.-March 2018 as part of the Power Smart Manitoba Games. This will allow selected athletes the chance to compete in a Games environment as they prepare for 2019. The staff will continue to assist athletes with the preparation of their Athlete Assistance

Applications. The same can be said for the resources provided by the Canadian Sports Centre Manitoba with whom we are affiliated with.

SECTION B

Principles and Participation Requirements

PRINCIPLES: (7)

- 1.) Program that allows athletes to become as good as they want to become.
- 2.) Program that produces athletes to represent MB. & Canada at major tournaments:
 - Short-Term: No major events identified on calendar; (T.T.C. have no calendar)
 - Medium-Term: 2017 Canadian Senior & Junior Championships in Toronto, Hopes Week (T.B.C)
 - Long-Term: 2019 Canada Winter Games, Alberta
- 3.) Some athletes participate in other activities besides table tennis.
- 4.) M.T.T.A. have requirements, goals to meet, and more programs to run than only P.S.T.P. Therefore, cannot throw unlimited funds at all P.S.T.P. participants. Rather, **the level M.T.T.A. assists athletes must depend upon the relative level of the athlete's commitment & dedication to table tennis and their past achievements & future potential.**

SELECTIONS FOR TRAINING & TOURNAMENTS:

DESIGNATIONS:

Squad: Top athletes (by level of play) for each of the age/sex teams that we must select and send to the major events;

Hopefuls: Next athletes (by level of play and future long-term potential) for each of the age/sex teams which we must select and send to the major events. Focus here is generally on younger athletes to build for the future. (8)

Team 2019: Top male and female players by rating at start of season. These players are initially targeted to attend the Team 2019 Training Camps and Virden 2018 Manitoba Trials for the 2019 C.W.G. Trials #1.

MAJOR TOURNAMENTS:

- a) **Canada Winter Games:** We must field full teams to these events. Level of play and ability to provide results are key selection factors.
- b) **Canadian Junior Championships & Hopes Week:** It is a program objective to try to field full competitive teams provided athletes meet certain minimum training requirements and be of a certain minimum level of play. These minimum requirements are dependent upon age of athlete. Refer to Chart "A" that outlines the 2016/2017 season training requirements.
- c) **Canadian Senior Championships:** It is a program objective to try and field competitive male and female teams. However, athletes must meet certain minimum training requirements and be of a certain minimum level of play.
- d) **Selection for Major Events:** First 2 spot(s) for each age/ sex team is determined by level of play as measured by results in competitions and ratings/ ranking level. The last spot(s) for any team will be selected by the Head Coach in conjunction with the Executive Director and vetted by the Athlete Development Committee.

2019 Canada Winter Games Selections: Team will consist of three boys and three girls born on/ > Jan.1, 1999. Male Coach/Manager: Arvin Tronco, Female Coach/Manager: (T.B.C.)

SELECTION TRIALS: Three trials will be held: **Trial #1**, Feb. 28-Mar. 3, 2018 Virden, MB. coupled with training camp as part of Power Smart Manitoba Games in Virden. We expect to be able to invite 8 boys and 8 girls who are part of "Team 2019 Program". **Trial #2** Nov. 2018, **Trial #3** Dec. 2018 each as part of 2018/2019 Manitoba Tournament Circuit. Top 2 boys and top 2 girls selected based upon results of the three trials. Third player selected as per (d) above.

MINOR (or "DEVELOPMENTAL") TOURNAMENTS:

These are tournaments that are identified by coaches as events to which athletes are sent in order to improve their performance at major ones.

PRINCIPLE:

Only send those who are meeting the commitment level that is outlined for minor events. Dedicated Squad and Hopeful athletes may be selected by the Head Coach and sent to these events. MINOR TOURNAMENTS, as identified by the Head Coach, will be geared towards developing athletes for the MAJOR events.

P.S.T.P.
"CANADIAN TEAM":
LEVEL:

Those athletes who are truly dedicated to table tennis and are "trying to become as good as they can be". Accordingly, these athletes commit more to table tennis than the minimum levels established for the P.S.T.P. The levels of required commitment will be based upon T.T.C. guidelines for junior athletes...move towards LTAD/ CS4L standards...these standards outline training volumes required by junior athletes of various ages in order to allow them to reach the International level in senior play. M.T.T.A. athletes given this designation must be in the top 8 in Canada for their age/sex class and meet the relevant minimum training/program requirements as outlined in CHART A:

In addition to events targeted by the M.T.T.A., Table Tennis Canada may select Manitoba players for participation in other national or international events. These events, say called "Canadian Team Developmental Events", could be international in nature. Examples could be I.T.T.F. or North American training camps, tournaments etc. Players selected/ funded for these events by the M.T.T.A. must meet the P.S.T.P. "Canadian Team" level training standards or qualify through T.T.C.'s regulations.

Chart A cont: MINOR TOURNAMENTS & CANADIAN TEAM LEVEL SELECTION & TRAINING STANDARDS: a) Regular "DEVELOPMENTAL EVENTS": -For Selection, meet training requirements as outlined in Chart above, under #2. "Canadian Championships". b) "CANADIAN TEAM DEVELOPMENTAL EVENTS": -Athletes must be in Top 8 in Canada for age/sex category (or be named to a Canadian Team) plus train as follows:

(12-15 hours/week) -minimum 4 practices per week with Squad +1 league night per week.	(15 plus hours/week) -minimum 5 practices per week with Squad + 1 league per week or 1-2 more practices.

GENERAL POINTS:

- a). All P.S.T.P. athletes must adhere to conditions as outlined in the "PARTICIPANTS AGREEMENT".
- b). All selections will depend upon M.T.T.A budget constraints.
- c). **Financial contributions** by athletes may vary from event to event depending upon # of athletes selected to event, # of events in the year (ie. budgetary restrictions) and level of parent/athlete involvement in MTTA volunteer activities. These parameters are **outlined in Section C "Athlete Financial Contributions for Out of Province Events"**.
- d). Above selection requirements for "CANADIAN TEAM DEVELOPMENTAL EVENTS" may be waived if an athlete is selected by Table Tennis Canada to attend an event. If athlete in question is not meeting M.T.T.A. minimum participation requirements, athlete could still attend but would fund himself/herself, i.e. whatever portion is not paid for by T.T.C., the athlete would cover himself/herself.
- e). Athletes taking private lessons should have their Coach coordinate this training with Head Coach Tronco.

SECTION C

Athlete Financial Contributions for Out of Province Events

This section outlines the financial contributions to be paid by athletes selected to represent Manitoba at out of Province events such as tournaments, training camps etc.

CONTRIBUTION PARAMETERS:

For each trip or event, the Executive Director sets a contribution level of "X" % of the total budgeted per person amount (9 & 10). This is the "base trip contribution amount" that all players start at. This base amount is then **added to or subtracted from**, according to the following **schedule of "Credits" and "Penalties"**,¹¹ in order to arrive at the final contribution level. Regardless of the final sum of the penalties and credits, the **minimum contribution to be paid by any athlete will be 25% and the maximum 80%.**

b) RATIONALE FOR LEVEL OF PLAY CREDITS:

Rewards the effort, dedication and concentration displayed by those players who achieve the indicated levels. **NOTE:** Medals achieved in doubles or team events will be looked at on a case by case basis, i.e. "How many teams or pairs were involved in the event in question" etc.

2. PENALTIES- LACK OF PARTICIPATION: SENIOR & JUNIOR PLAYERS

NOTES:

a). Chart "A" in Section B outlines the training requirements that are expected of Manitoba's junior aged high performance athletes. The practice requirements are outlined in Chart "A", under number 2, according to the age category of the player. Players are also expected to participate in M.T.T.A hosted events such as tournaments and leagues. This is further explained in footnote 6.

b). Players are expected to meet these requirements >80% of the time. The same principle applies to tournaments and number of events entered in tournaments; i.e. over the course of time, players are expected to be participating and competing in practices and tournaments 8 out of every ten times. Players who are not adhering to these requirements will pay the outlined penalty should they be selected for an out of province event.

c). Players who do not meet the requirements in Chart "A" are not even supposed to be selected for "minor" events. However, sometimes, due to varying circumstances, an athlete might be selected despite their

clearly not meeting the minimum participation requirements for selection. An athlete might also be selected for a “major” event-such as the Canadian Junior Championships- based on their being the best player for their age despite their lack of participation. In these cases, the selected athlete would again pay the outlined penalty.

d). Senior players, (anyone who is not eligible for under 18 or Youth events), are expected to be meeting the same training requirements as for the U18 year olds: i.e. train 3X/ week plus league night for 80% of the time (12).

e). These notes pertain primarily to athletes who live in Winnipeg or very close to Winnipeg. Athletes who train out of province or who reside in rural Manitoba will be handled on a case-by-case basis although the basic principles still apply.

JUNIOR & YOUTH PENALTIES: (13)

X+5% For any junior or youth who is only training (14) between 70-80%.

X+10% For any junior or youth who is only training (14) between 60-70%.

X+15% For any junior or youth who is only training (14) between 50-60%.

X+20% For any junior or youth who is training (14) less than 50%.

SENIOR PENALTIES:

X+5% For any senior who is only training (14) 3X per week, 80% of the time.

X+10% For any senior who is only training (14) 2X per week, 80% of the time.

X+15% For any senior who is only training (14) 1X per week, 80% of the time.

X+20% For any senior who is selected based on level of play or tournament results but is seldom active in practicing at any of the clubs or league.

RATIONALE:

Even though table tennis is an individual sport, our athletes also compete as part of larger teams. Athletes must pair together to form doubles teams at events such as the Canadian Senior and Junior Championships and Winter Games events. They must also form teams to represent Manitoba in team play at the Canadian Senior and Junior Championships and Games events. Points from all individual, doubles and team events are also totaled towards determining who is overall winner at all of the above championships. So although athletes may compete as an individual, they are always part of the larger team and as such are expected to be out to train with and support their fellow teammates. Similarly, they are expected to be out to compete against their teammates in M.T.T.A hosted contests. The lack of participation of some athletes can have an adverse effect on the rest!

Similarly, the M.T.T.A receives funding based upon the scope and complexity of our athlete development programs. The Provincial Squads and Hopefuls programs are the two major ones to develop our top athletes. They are also entwined with the Canada Winter Games program. Lack of participation on the part of individuals thus may also adversely effect M.T.T.A. funding.

Thirdly, the penalties are in place for fairness to the athletes. If dedicated athlete A is in the gym 3-5 times a week and plays most events at our tournaments, should athlete B, who plays only once a week, plays the odd event at one or two tournaments, pay the same amount as athlete A? ... assuming of course that they are lucky enough to be selected to represent Manitoba in the first place.

FOOTNOTES:

- (1) **Major Tournaments** are those where results count for World, North American, Canadian, or Western Canada Games titles. Results at these events could have a bearing on funding received from external sources and are the tournaments which athletes dedicate themselves to train towards.
- (2) **2016/2017 Major Tournaments:** 2017 Canadian Senior Championships, Canadian Junior Championships and "Hope's Week." (Note: It remains to be seen whether the Hope's Week evolves into a true high-performance-type event?) National Top 12's, Canada Cup events and other T.T.C. hosted "selection-type-events" are also "Major" but athletes must be selected or qualify under T.T.C. guidelines. Refer to attached M.T.T.A. "Programs Brochure" and "2016-2017 Calendar of Events" for tournament dates and locations.
- (3) **"Minor" Tournaments** are those that are **developmental** in nature, i.e. those events to which athletes may be sent in order to prepare for MAJOR events. Results generally have little or no effect on external funding.
- (4) **Hours are the maximum times**, i.e. we have gyms booked for these periods. Training session lengths may vary depending upon where we are in Season Plan. Parents of younger players should notify the coach if earlier athlete pick up times are necessary on school nights.
- (5) a) **The year is broken into 3 training "blocks":** Sept.-Dec./ Jan.-end March/ April- July. Selections for each block of training will be based upon performance in the previous block and upon such factors as the availability of space, new athlete identification etc.; i.e. for the Canadian Junior Championships and Hope's Week, we could have 8-10 age/sex teams to try and fill: B & G U-18, U-15, U-13, U-11 & U-9? We need minimally 2-3 b/2-3 g for each category. In some categories, we have >2/3 and some we have fewer. Therefore, in those age/sex categories where we are carrying more than the minimal number, cuts may have to be made if there are players of a suitable caliber moving up from the Hopefuls group (or directly out of the Junior Developmental Club ranks) into age/sex groupings where we are short players. Long-term athlete requirements for events such as the 2019 Canada Winter Games must also be kept in mind! Reference "Athletes Inventory" for listing of known/potential squad athletes.

b) It should be noted that the size of a facility and number of tables located at the given facility restrict the number of athletes that can be invited out.
- (6) **For Match experience, all Squad players (and some Hopefuls) are expected to play in the Winnipeg & District Table Tennis League and are expected to play in a minimum of 3 events at each of our tournaments: 2 singles and a doubles.**
- (7) Much of the following is geared towards Junior aged players but the same basic philosophic principles apply to Youth & Senior aged players.
- (8) Designations are made at the start of a program year and may be modified for successive blocks. "Squads" and "Hopeful's" are designations on paper similar to Table Tennis Canada's "Olympic", "World", "Shadow" squads etc. "Squad" fees slightly higher as these athletes are more likely to receive coaching from top level coaches and have higher likelihood of being selected to represent Manitoba.
- (9) **Per person budgeted amount** is the total expected trip costs (excluding food for those tournaments where food is not included as part of a package deal) for all players, coaches, managers, divided by the total # of players.
- (10) **X% may vary from tournament to tournament** (i.e. it may be higher for "minor" events as opposed to "major" ones), year-to-year etc. However, "X" will generally be in the 50-65% range and depends greatly upon the number of and location of tournaments in a season, the number of players selected for each event and the M.T.T.A's overall budget for the season.*

*Traditionally, the M.T.T.A has heavily subsidized its players when they travel to out of province tournaments and camps. However, the M.T.T.A can only handle so many thousands of \$ of trip costs in a given year. The more events and the more athletes sent to these events-as recommended by the Provincial Team Head Coach (Athlete Development Director) - the higher this base "X%" must be.
- (11) Players **cannot accumulate more than one discount** within the Senior or Junior/ Youth "Level of Play" credit categories; they take their best credit category. Junior/ Youth performance discounts count only towards payment for selection to Junior/ Youth aged events/tournaments, i.e. they do not apply if a Junior/ Youth is selected for our Senior team; to get discounts for senior events, juniors/ youths must meet the senior discount ranking requirements.
- (12) Senior players who are on shift work-or juniors who are writing exams- **can batch practices** during weeks when they are not working/studying to maintain the 80% practice threshold. Players must phone the Head Coach to advise of any extra attendances at Squad practices, i.e. any days that they are not scheduled to practice. .
- (13) Calculations of penalties will be based upon attendance records of coaches, club coordinators, league coordinators and tournament organizers. It is understood that records may not be 100% accurate, and, as such, when determining penalties, an athletes record will be compared to that of his/her peers.
- (14) Training here refers to "overall participation" in practices, tournaments and league play. These expectations are also outlined in Chart #A.

2. Members will conduct themselves at all times in an exemplary manner. Clean and neat appearance and attire is essential. Members will wear Team uniforms when requested to do so by the Head Coach or Manager. Such official clothing and uniforms shall not contain any lettering, trade names, or trademarks that have not been approved by the Manitoba Table Tennis Association. Members will not trade or sell any equipment or clothing provided by the Provincial Squads Training Program without permission of the Head Coach or Manager.
3. Respect and consideration towards the public, Coaches, Manager, support staff, volunteers and other squad members and table tennis players is a must. Abusive language and behavior in or out of the gymnasium will not be tolerated. Members shall remember they are representing the Manitoba Table Tennis Association and their behavior is a reflection on all table tennis players as well on the Province of Manitoba.
4. Members shall attempt to cooperate with the press and shall refrain from making statements against the Manitoba Table Tennis Association, Table Tennis Canada or other Manitoba Table Tennis Association officials or players.
5. While with a Team representing the Manitoba Table Tennis Association or the Province of Manitoba, drinking in public places or place of temporary residence needs the approval of the Head Coach or Team Manager. In any case, except for at designated social functions, drinking will not be allowed during the competition or while an athlete is still actively involved in play. Where drinking is permitted, excessive consumption of alcohol to the point of intoxication will not be tolerated and athletes guilty of such shall face immediate suspension from the competition and may be subject to additional penalties. Athletes under the legal drinking age are not to consume alcohol; such consumption may result in immediate suspension from the competition and Squads Program.
